B. Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other contracts, which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time not to exceed three (3) years, and terminate any or all existing contracts Contractor may have with County.

C. such County's consent, shall not be paid by County. Any payments by County to any delegatee or assignee on any claim under this Agreement, in consequence of any such County consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to setoff, recoupment or other reduction of claims which County may have against Contractor, whether under this Agreement or otherwise.

B. Shareholders or partners, or both, of Contractor may sell, exchange, assign, divest, or otherwise transfer any interest they may have therein. However, in the event any such sale, exchange, assignment, divestment or other transfer is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership or legal entity other than the majority controlling interest therein at the time of execution of this Agreement, then prior written consent thereof by County's Board of Supervisors shall be required. Any payments by County to Contractor on any claim under this Agreement shall not waive or constitute such County consent. Consent to any such sale, exchange, assignment, divestment, or other transfer shall be refused only if County, in its sole judgement,

determines that the transferee(s) is (are) lacking in experience, capability and financial ability to perform all Agreement services and other work. This in no way limits any County right found elsewhere in this Agreement, including, but not limited to, any right to terminate this Agreement."
